**BAD RIVER** is a documentary film which chronicles the Wisconsin-based Bad River Band and its ongoing fight for sovereignty, a story which unfolds in a groundbreaking way through a series of shocking revelations, devastating losses, and a powerful legacy of defiance and resilience which includes a David vs. Goliath battle to save Lake Superior, the largest freshwater resource in America. As Eldred Corbine, a Bad River Tribal Elder declares: “We gotta protect it... die for it, if we have to.”
